WORK EXPERIENCE

Frontend Developer

Hexadecimal Software Pvt. Ltd.

09/2025 - 03/2026

Internship

Achievements/Tasks

- Developed responsive web interfaces using React.js, JavaScript, HTML, and CSS, ensuring seamless user experience across desktop, tablet, and mobile devices.
- Created reusable React components from Figma designs, enabling faster development of new interfaces and features.
- Integrated REST APIs into frontend applications, enabling real-time data rendering and improving application functionality and responsiveness.
- Refactored component structure and styling patterns to simplify maintenance and future feature development, improving code maintainability and reducing UI-related development effort for future features.

Full-Stack Developer

iNeuBytes

10/2023 - 11/2023

Internship

Achievements/Tasks

- Designed an e-commerce web application featuring product listings, shopping cart functionality, and order management workflows.
- Built responsive user interfaces using HTML5, CSS3, and JavaScript, improving accessibility and usability across multiple screen sizes.
- Implemented backend functionality using PHP and MySQL, enabling secure storage and management of user, product, and order data.
- Embedded database-driven features and business logic, supporting real-time cart updates and improving application reliability.

PERSONAL PROJECTS

AI App Idea Generator

- Developed an AI-powered web application that generates startup and software product ideas based on user-selected industries, technologies, and target audiences.
- Integrated generative AI APIs with a full-stack architecture to deliver real-time idea generation, problem statements, feature suggestions, and monetization strategies.

AI Chatbot

- Built an AI-powered chatbot application using Node.js, Express.js, JavaScript, and Gemini AI, enabling real-time natural language interactions through API integration.
- Implemented asynchronous data fetching, robust error handling, and responsive UI components, improving user experience and application performance.
