

VARDAN SINGHAL

Full Stack Developer | MERN Stack | React.js

vardansinghal30@gmail.com | +91 9205617576 | Delhi, India | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

Results-driven Full Stack Developer with production experience building scalable MERN stack applications, RESTful APIs, and high-performance React interfaces. Delivered AI-powered tools deployed on cloud platforms, engineered component-driven architectures, and optimized end-to-end application performance. Adept at Agile workflows, cross-functional collaboration, and translating product requirements into maintainable, production-ready code.

WORK EXPERIENCE

Full Stack Developer Intern — Hexadecimal Software Pvt. Ltd. Sep 2025 – Mar 2026

- Engineered 4 production-grade React.js applications with reusable component libraries derived from Figma specs, accelerating UI delivery by 40% and boosting cross-browser compatibility to 98%.
- Architected and deployed an AI App Idea Generator (MERN) integrating Gemini AI API for real-time startup concept generation; reduced idea-to-prototype time by 55%. Live: [ai-app-idea-generator.onrender.com](#)
- Developed an AI Plant Analysis Tool using Vision AI API for image-based disease detection and care recommendations; achieved Lighthouse score of 94. Live: [plantscan-1906.onrender.com](#)
- Integrated 15+ REST API endpoints with async/await and robust error handling, improving application reliability by 45% and reducing failed requests by 30%.
- Implemented JWT-based authentication and protected route architecture, eliminating unauthorized access vulnerabilities across all deployed applications.
- Optimized React component tree via code splitting, lazy loading, and memoization, cutting initial bundle size by 42% and Time-to-Interactive by 35%.
- Refactored CSS to utility-first BEM/Bootstrap hybrid, improving mobile responsive fidelity by 60% and reducing UI bug tickets by 50%.
- Deployed all applications on Render/Netlify with CI/CD pipelines; configured Cloudinary for media management, reducing image load times by 52%.

FEATURED PROJECTS

AI App Idea Generator

Stack: React.js · Node.js · Express.js · MongoDB · Gemini AI · JWT · Render | Live: [ai-app-idea-generator.onrender.com](#)

- Built a full-stack MERN platform generating AI-curated startup ideas based on industry, technology, and target audience, delivering structured feature lists and monetization roadmaps.
- Designed stateless REST API with Express.js MVC; integrated Gemini AI with prompt engineering, improving output relevance by 70%.

AI Plant Analysis Tool

Stack: React.js · Node.js · Express.js · Vision AI · MongoDB · Cloudinary · Render | Live: [plantscan-1906.onrender.com](#)

- Engineered an image-based plant disease detection tool processing 200+ scans in the first month, delivering instant diagnosis and treatment recommendations.
- Implemented Cloudinary CDN cutting image load time by 52%; achieved Lighthouse accessibility score of 96 through semantic HTML and ARIA compliance.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), HTML5, CSS3, Python

Frontend: React.js, Redux Toolkit, Context API, React Router, Bootstrap, Material UI, Vite

Backend: Node.js, Express.js, REST APIs, MVC Architecture

Databases: MongoDB, Mongoose, MySQL, Firebase

Auth & Security: JWT, Authorization, Session Management

Dev Tools: Git, GitHub, Postman, VS Code, npm, Webpack

Deployment: Render, Vercel, Netlify, Cloudinary

Practices: Agile, Git Flow, Code Splitting, Lazy Loading, Component-Driven Dev, Clean Code

EDUCATION

B.Tech — Computer Science | Panipat Institute of Engineering and Technology Nov 2020 – May 2024 | 73%

Senior Secondary (XII) | Happy Home Public School Mar 2019 – Apr 2020 | 70%

CAREER TRANSITION

Following graduation, dedicated time to SSC CGL preparation, sharpening analytical problem-solving, discipline, and resilience. This experience reinforced a structured engineering mindset and motivated a full transition into software development, focusing on production-ready MERN applications and continuous technical skill enhancement.

LANGUAGES & INTERESTS

English (Native/Bilingual) · Hindi (Native/Bilingual)
